

December 8, 2010

The Honorable Catherine M. Hudgins  
Hunter Mill District Supervisor  
Fairfax County Board of Supervisors  
12000 Bowman Towne Drive  
Reston, VA 20190

Dear Supervisor *Cathy* Hudgins:

At the November 3, 2010, meeting of the Reston Master Plan Special Study Task Force, we took up the issue of names for the three stations in Reston. I wanted to let you know what the task force voted to recommend.

- **Reston Town Center.** There was unanimous support to change the Metrorail station name from Reston Parkway to Reston Town Center
- **Reston East.** There was a substantial majority in favor of renaming the Wiehle Avenue station to Reston East (nine votes versus three for Reston East/Wiehle and two for Reston-Wiehle Avenue)
- **Reston West/Herndon.** There were seven votes for Reston West/Herndon to replace the station designation Herndon-Monroe and six for Herndon/Reston West.

We hope that when the Board of Supervisors takes up the issue of recommendations for the names of Silver line stations in Fairfax County, you will favorably consider the task force recommendations.

Sincerely,

Patricia Nicolson  
Chairman  
Reston Master Plan Special Study Task Force
